

# FEATURES & DEADLINES

Throughout the year, PHPI includes core features that are essential to plumbers and heating engineers: Heating & Renewables and Plumbing & Bathrooms. In addition, issues will cover key areas such as tools and workwear, commercial vehicles, training courses, legislation, running a small business and expanding into new sectors. The magazine offers a blend of step-by-step best practice guides, product tests and reviews from real installers, technical advice from manufacturers and industry bodies, and information on market developments and new products.

## Core feature breakdown

*Heating & Renewables:* gas boilers; electric heating; oil heating; LPG; heating controls; UFH; radiators; cylinders; pumps; solar thermal; MVHR; CO alarms; air and dirt separation

*Plumbing & Bathrooms:* sanitaryware; showers; wetrooms; brassware; kitchens; pipes & fittings; drainage; ventilation; water treatment

## Editorial deadlines

January: 10/11/18

February: 30/11/18

March: 10/01/19

April: 11/02/19

May: 08/03/19

June: 10/04/19

July/August: 14/05/19

September: 09/07/19

October: 09/08/19

November: 10/09/19

December: 10/10/19

## Synopses/submissions

Please email synopses to [phpi@hamerville.co.uk](mailto:phpi@hamerville.co.uk). Feature articles are around 850 words in length and should be generic in tone with an installer bias. Accompanying images should illustrate products being fitted.
