In addition to the features listed above, LABM regularly includes council and housing association case studies and special reports covering the latest guidelines, reports and issues, as well as news, views and opinion from across the sector. *Articles commissioned for LABM must be exclusive in terms of competitor titles. Images for articles must be at least 300dpi and large in size. We prefer project shots, step-by-steps and before and after photography, we do not use product images with feature articles. We reserve the right to omit articles that do not meet our editorial guidelines.*
