

REGULAR FEATURES:

In addition to these category-focused features, each issue of PBM presents targeted and content-driven editorial that puts readers in prime position to engage with active suppliers and industry trends. These include:

Supplier Profile: Corporate insights and updates

Face to Face: Q&A session with merchant-facing supplier staff

Marketing: A detailed look at supplier support at the point of sale

Soapbox: Comment and opinion

Training Focus: Merchant-focused courses and content

Product Spotlight: Drilling down into new product launches

Every edition also provides a review of the latest news, appointments, events, informed opinion from industry experts, updates from the BMF and other leading industry bodies, plus a round-up of the sector's new products. Meanwhile, best practice is shared through regular profiles and news from leading merchant organisations.

Following the publication of the print edition, content is uploaded to the PBM website in digital 'flickbook' format and as web stories on the main site.
