Submitting editorial

Making editorial submissions to PMM is a simple process. If you have an idea for an article or for a series of articles, get in contact with the Editor on the email at the bottom of this page. For new product releases and news, send an email to our News & Products Editor.

We kindly ask that everyone submitting editorial to the magazine reads our editorial guide prior to submission and respects the word counts set out by the Editor. Articles in the magazine and online require at least one image to accompany the copy.

All editorial is subject to approval by the editorial team and is included at our discretion. Once editorial is submitted there will be no opportunity for approvals.
